RESERVOIR CHALLENGE

Can you find 2 fish that match?
Can you find 1 boat that's different?
Can you find 10 ducks?

UP FOR A CHALLENGE?

Find 3 things that don't belong in the reservoir.

LOOK OUT FOR THE

WIPESAUR

Our eight-foot tall blockage dinosaur is on the loose spreading the word on why you shouldn't flush wipes! Have you seen him?

RAINY DAY PUZZLE

Fill the grid so that there's an umbrella, a wellie, a cloud and a droplet in every row and every column.

SAVE WATER

All of these things can help you save water at home.

BUT HOW?

- Put a bucket under the tap while you make the water the right temperature. The water you collect can be used to water plants or fill up a squirty shooter.
- Use a clock to keep your shower time under 5 minutes.
- Use a broom instead of a hose to clean your driveway or patio.
