### Statement of Significant Changes- Yorkshire Water Services Ltd – Charges 2018-19

- The company is not expecting there to be any bill increases of more than 5% from the previous year for a given customer type assuming a constant level of consumption.
- The application of wholesale revenue forecasting incentive mechanism (WRFIM) in 2018-19 has resulted in a reduction of £5.3m on the wholesale water revenue allowance. The adjustment is due to the over recovery of revenue in 2016-17.
- There has been no significant change in the charging policy by the company between 2017-18 and 2018-19.
