Filling out this form

This form can't be filled out online, so before you start to complete it, please make sure you follow these steps:

1. Download the PDF to your PC (Save it locally, for example on your desktop)
2. Open it using [Adobe Acrobat Reader](#), and fill it out
3. Save the completed version
4. Email it to us at newmains@yorkshirewater.co.uk

Please note: the fees listed in this form are fixed until **31 March 2025**. You can find the most up-to-date version of this form at yorkshirewater.com/developers/water/mains/

This form is to request new water mains installation or diversionary works to be carried out by Yorkshire Water.

There is an admin fee of £226 + £45.20 (VAT) = **£271.20** per call-off request, (one call-off per request), which will be invoiced to you shortly after we issue the work order to our delivery team.

If you want to request any additional phases of work, you'll need to complete another mains call-off request form and pay an additional admin fee of £226 + VAT. The cost of any additional phases not included in your initial quote will be charged at the time of the request. These costs can be found in our New Connection Charging Arrangements: yorkshirewater.com/developers/developer-services-charges/

If you need any service connection quotes sending, please fill in and return our bulk order request form, which you can find at yorkshirewater.com/developers/water/mains/

Please note: if you cancel this job within 48 hours of the planned date, or if your site does not meet our requirements when we arrive, we will invoice you a remobilisation fee of **£818** to cover the cost of standing our team down from the planned work. You will then have to complete another call-off request form to rebook the work.

If you're filling out a paper copy, please complete in **BLOCK CAPITALS** using blue or black ink.
