Strategic Resources Option: Upper Derwent Valley Reservoir Expansion (UDVRE)

Both the Severn Trent Water Board and Yorkshire Water Board are satisfied that this application for Upper Derwent Valley Reservoir Expansion to become a RAPID Strategic Resource Option meets the requirements outlined by RAPID: Strategic regional water resource solutions guidance for 2021. The Boards also confirm that we:

- Support the recommendation for the solution to become a RAPID SRO;
- Understand our role in this submission as a receiver and/or supplier
