Model Sewer Adoption Agreement

Agreement:

1	The provisions in the First and Third Schedule shall apply in respect of the Works and all other matters therein contained as though the same had been set out in full in this Agreement
2.1	In respect of any part of the Works to be constructed in the Green Land the Owner (if any) hereby consents to the exercise by the Developer of its rights under this Agreement and acknowledges that the Undertaker shall be entitled to carry out the Undertaker's Rights following issue of the Vesting Declaration in addition to statutory rights that are exercised by the Undertaker pursuant to the Act
2.2	If any of the Works are to be constructed within the Site but outside the Green Land then the Adjoining Owner(s) shall join into this Agreement solely for the purposes of acknowledging and consenting to the arrangements herein expressed between the Developer and the Undertaker. For the avoidance of doubt the Adjoining Owner(s) shall have no liability under the provisions of this Agreement in relation to the construction and future maintenance or repair of the Works
2.3	The Developer warrants that it has sufficient rights in that part of the Site that is outside the Green Land to enable the Works to be carried out therein and to permit the use repair maintenance and discharge therefrom to any Watercourse prior to the date of the Vesting Declaration and to enable a valid and effectual declaration to be made in respect of the Works
2.4	The Adjoining Owner(s) hereby consents and agrees to the arrangements contained within this Agreement as far as they relate to land in the ownership of the Adjoining Owner(s) and acknowledges that the Undertaker shall be entitled to carry out the Undertaker's Rights following issue of the Vesting Declaration in addition to statutory rights that are exercised by the Undertaker pursuant to the Act
2.5	The Developer hereby confirms that the title of the Owner and the Adjoining Owner(s) (if such parties have joined in this Agreement) have been examined and establishes that the parts of the Site where the Works are to be constructed are in their ownership at the date of this Agreement
2.6	The Owner and the Adjoining Owner(s) acknowledge that the Works during and after their construction and until the issue of the Vesting Declaration belong to the Developer
3	The Developer shall immediately upon completion of the Works (but without delaying whilst outfall connections to public Sewers or other Works are completed) forward to the Undertaker accurate 'as constructed' Drawings of the Works (including any agreed variations to the original Drawings)
4	No statutory or common law rights and powers of the Undertaker or the Developer shall be affected by this Agreement
5	Nothing in this Agreement is intended to confer on any third party (whether referred to herein by name class description or otherwise) any benefit or right to enforce a provision contained in this Agreement
6	All parties hereby consent to the supply to any person acting reasonably who may request it, including but not be limited to any lender or purchaser of land to be drained by means of the Works, a copy or summary of this Agreement
7	If as part of the Works the Developer is proposing to construct Diverted Sewers then the additional provisions of the Second Schedule shall apply
8	If in connection with the Works the parties agree to carry out network reinforcement at the cost and expense of the Undertaker the provisions of the Sixth Schedule shall apply

Model Sewer Adoption Agreement

9	The Developer or the Owner or the Adjoining Owner(s) if there are parties so defined either own the freehold or the unexpired residue of not less than 200 years of a leasehold term or in the case of the Developer has sufficient interest in the Green Land or land adjoining the Green Land within the Site to enable certain development in relation to the same including the construction of the Works to serve the said development
10.1	The Developer has sufficient rights in the Green Land to enable the Works to be carried out and to permit the use repair maintenance and discharge therefrom and into any Watercourse prior to the date of the Vesting Declaration and to enable a valid and effectual declaration to be made in respect of the Works
10.2	The Developer and the Owner (if any) hereby acknowledge that the Undertaker shall be entitled to carry out the Undertaker's Rights following issue of the Vesting Declaration
11	The Developer and the Undertaker undertake and warrant that they will carry out their respective obligations under this Agreement in accordance with the Sewerage Sector Guidance and, for the avoidance of doubt, the Procedures
12	In the event of a conflict between this Agreement and the Sewerage Sector Guidance the provisions of this Agreement shall prevail and have effect

EXECUTED by the parties hereto on the day and year first before written

First Schedule (being provisions applicable to the Works):

Construction of Works

S.1	If the Developer proceeds with the Works it shall at its own expense properly construct and complete them in accordance with the Drawings and the Specification (and which Drawings and Specification shall be deemed to be part of this Agreement) or as varied by virtue of the powers contained in S.2 of this Schedule and the statutory provisions for the time being relating to new Sewers and to the reasonable satisfaction of the Undertaker in the positions and to the extent shown within the Drawings and indicated by coloured lines and symbols as to foul and surface water sewers in accordance with Appendix VII of the DCG
------------	--

Minor Variations

S.2	The Developer shall not vary the Works nor make any additional connections not shown on the Drawings without first obtaining the Undertaker's written consent
------------	---

Consent to Discharge

S.3.1	In the case of a discharge from any part of the Works to controlled waters as defined by the WRA the Developer shall:
S.3.1.1	before the commencement of any Works make application for and obtain any necessary consent to such discharge from the pollution control authority and if appropriate the relevant land drainage authority and comply with the conditions relating to their consent provided however that the Developer shall not agree to conditions without the prior approval of the Undertaker (which approval shall not be unreasonably withheld or delayed) and shall if required by the Undertaker appeal against the same or any of them within the period provided within the WRA for the lodging of an appeal and
S.3.1.2	transfer the consent to discharge referred to in S.3.1.1 to the Undertaker immediately prior to the issue of the Vesting Declaration

Model Sewer Adoption Agreement

S.3.2 If any part of the Works is intended to discharge into any Watercourse which is owned by or comprises part of the undertaking of a Navigation Authority (as defined in the WRA) (otherwise than a natural Watercourse and whether the same is navigable or not) the Developer shall before the commencement of any of the Works which would drain to such Watercourse obtain the consent of the Navigation Authority to such discharge but shall not agree to any conditions relative to such consent without the prior approval of the Undertaker

S.3.3 In the case of a discharge to an estuary or coastal waters the Developer shall before the commencement of any of the Works obtain requisite consents or approvals

S.3.4 If the Works are to discharge to land (including any Watercourse) owned by any of the Undertakings listed in Schedule 13 Part 1 of the Act the conditions referred to in S.3.2 above shall (so far as the context admits) apply to the Works

Notification of Intended Commencement

S.4 The Developer shall give the Undertaker at least seven Days' written notice of the date on which it intends to commence the Works and shall with such notice submit to the Undertaker for inspection such plans Drawings and other design or working, Drawings not previously submitted to the Undertaker and which relate to the carrying out of the Works as the Undertaker may require and shall not commence construction until

S.4.1 the Developer has completed this Agreement (unless otherwise agreed with the Undertaker) and supplied to the Undertaker a copy of the relevant form relating to the registration of the Site for CDM purposes and

S.4.2 the Site has been inspected by the Undertaker (which the Undertaker agrees to perform within fourteen Days of the receipt of the notice under S.4 above)

S.4.3 Notwithstanding S.4.2, the Developer may commence Works following the expiry of such fourteen Day period if the Undertaker has failed to carry out the inspection specified in S.4.2 within that period

Period of Construction

S.5 The Developer shall construct and complete the works within the Period of Construction and all parts of the Works including all outfalls and all connections to existing public Sewers shall be completed and in working order before any foul or surface water drainage is discharged from any building or property served by the Works provided always that if the Developer shall fail to construct and complete the Works within the Period of Construction the Developer shall comply with any revised standards for any part of the Works which have been notified to the Developer in writing by the Undertaker

Building Over

S.6 The Developer shall not build plant or place anything over or within measured horizontally from the centre line of any Sewer or Lateral Drain which are to be included in the Vesting Declaration (or such other distance as may be reasonably specified by the Undertaker) without the written consent of the Undertaker provided that consent shall be deemed to be refused if consent is not given within ten Days provided also that this condition shall not apply to anything shown on the Drawings or the Layout Plan within the Protected Strip

Backfilling

S.7.1 The Developer shall notify the Undertaker before covering up any part of the Works

S.7.2 Upon receiving such notice the Undertaker shall if it thinks fit arrange with the Developer to inspect the Works and such inspection being on reasonable notice to the Developer

Model Sewer Adoption Agreement

S.7.3	If the Developer fails to give notice under S.7.1 or fails to comply with arrangements under S.7.2 it shall be liable for the full cost of reopening the Works even if the same are found to comply with this Agreement
S.7.4	Provided notice is given under S.7.1 if the Undertaker fails to comply with arrangements under S.7.2 (unless prevented from so doing because of circumstances beyond its control) the Developer may cover in the Works
S.7.4.1	Without prejudice to S.7.1 to S.7.4 inclusive the Developer shall at any time if requested to do so by the Undertaker in writing open up the Works for inspection
S.7.4.2	If the Developer fails to comply with such request within any time limit specified by the Undertaker the Undertaker may open up the Works and then if any part of the Works are found not to comply with the terms of this Agreement the Developer shall repay to the Undertaker on demand all reasonable costs the Undertaker incurs in opening up and re-covering the Works but in any other case and provided due notice has been given the costs of opening up the Works shall be borne by the Undertaker
S.7.5	For the avoidance of doubt the provisions of S.10 (relating to access to the Works) are to be read in conjunction with this paragraph
Provisional and Final Certificates	
S.8.1	If following inspection of the Works pursuant to the Procedures, the Undertaker is of the opinion that the Works have been completed (including all outstanding remedial works) in accordance with this Agreement it shall within 7 Days of the inspection issue a certificate to the Developer to that effect
S.8.2	The Works shall be deemed completed when:
S.8.2.1	they have been substantially constructed in accordance with this Agreement; and
S.8.2.2	a majority of the premises within the Green Land and intended to be served by the Works are occupied; and
S.8.2.3	all necessary connections or other things have been made or done whereby such occupied premises may be properly drained; and

S.8.3	If requested by the Developer the Undertaker may at its discretion issue one or more certificates in respect of any substantial part or parts of the Works that have been completed to its satisfaction
S.8.4	The Undertaker may issue a Provisional Certificate when it considers it appropriate or if requested to do so by the Developer
S.8.5	The Undertaker may issue the Provisional Certificate subject to conditions which must be discharged before the Works are vested as public Sewers

Model Sewer Adoption Agreement

S.8.6	Where in a certificate issued under S8.1 the Undertaker identifies in writing to the Developer remedial work required to be carried so that the Works comply with the requirements of this Agreement and by the expiry of six months from the date on which the Developer receives the remedial works' notice the Developer has failed to carry out such remedial work
S.8.6.1	the Undertaker may issue notice to complete the Works within a reasonable period, not exceeding six months specifying the areas of non-compliance with the requirements of this Agreement
S.8.6.2	the costs of such work shall be borne by the Developer
S.8.6.3	The Developer will confirm in writing once the works have been completed
S.8.6.4	if within the period transferred to in S.8.6.1 the works have not been carried out to the reasonable satisfaction of the Undertaker the Undertaker shall so inform the Surety
S.8.6.5	following the giving of such notice to the Surety the Undertaker may carry out the necessary remedial works and the Developer and Surety shall be liable for the reasonable costs so incurred by the Undertaker
S.8.7	Any notice from the Undertaker under S.8.6 shall be provided to the Surety at the time it is provided to the Developer
S.8.8	The Developer shall notify the Undertaker immediately on completion of any works carried out to remedy defects identified under S.8.6
S.8.9	The Undertaker shall not be obliged to release any Surety from its liabilities under this Agreement or to repay any Deposited Sum in full as the case may be until the happening of the vesting and transfer referred to in S.17.3
Maintenance Period	
S.9	During the Maintenance Period the Developer shall at its own expense maintain repair and otherwise keep the Works in good working order and repair to the reasonable satisfaction of the Undertaker unless the Undertaker shall declare that any required maintenance and/or repair is an emergency in which case the Developer shall carry out the said maintenance and/or repair immediately
Access to the Works and consequences of inspections	
S.10.1	The Developer shall arrange for the Undertaker to have access to the Works and the Site at all reasonable times and in particular shall at its own cost provide all relevant plant equipment (including safety equipment) signing guarding lighting and personnel whilst the Undertaker is on the Site for the purpose of carrying out inspections under this Agreement
S.10.2	Following an inspection under this agreement, the Undertaker may make recommendations to the Developer as to the design or construction of the Works but no such recommendations shall affect the obligations of the Developer under this agreement or limit the rights of the Undertaker under S.8.1 and S.12.1 or otherwise

Model Sewer Adoption Agreement

Undertaker's Right to Repair

S.11	If at any time before the issue of the Final Certificate the Developer shall fail to construct and maintain the Works in accordance with this Agreement the Undertaker shall (as agent of the Developer) be entitled at its entire discretion to construct complete make good and maintain such part or parts of the Works as may be necessary in the opinion of the Undertaker after first giving not less than ten days notice in writing to the Developer (unless the Undertaker declares that any required construction and/or maintenance is an emergency in which case the Undertaker may carry out the said construction and/or maintenance immediately) and the Surety of such intention and the Developer shall upon demand pay to the Undertaker the cost thereof including the necessary cost of the preparation and service of such notices and of necessary administration as certified by the Undertaker including professional fees and other expenses reasonably and properly incurred

Model Sewer Adoption Agreement

1	General Principles
1.2	Paragraph references are to references in this Schedule unless stated otherwise
1.3	The procedure set out in this Schedule (the “Dispute Resolution Procedure”) shall apply to any dispute, claim or difference (“Dispute”) between the Parties arising out of or relating to this Agreement
1.4	This Dispute Resolution Procedure sets out the intention of the Parties to act in a collaborative manner and in a spirit of partnership in seeking to resolve disputes at the earliest stage possible. It is therefore accepted by the Parties that this procedure shall only apply after the application of the redress procedures set out in the Sewerage Sector Guidance. For the avoidance of doubt, any monies recovered by the Developer pursuant to these procedures shall be deducted from any sums awarded under the Dispute Resolution Procedure or in court proceedings subsequent to the operation of this procedure where those monies relate to the same set of circumstances giving rise to the dispute being dealt with under the Dispute Resolution Procedure
1.5	Unless otherwise agreed, all negotiations connected with the Dispute shall be in confidence and without prejudice to the rights of the Parties in any future proceedings. If at any point the Parties reach agreement on the resolution of a Dispute or any part of a Dispute, it shall be set out in writing and signed by the authorised representatives of both Parties. Such resolution shall from that point on be binding on the Parties and may be referred to as evidence of their agreement
1.6	Changes to the details of the Parties authorised representatives must be notified, in writing to all Parties within 48 hours of any change taking effect
2	Notice
2.1	If a dispute (“Dispute”) arises, the Party who wishes to raise it (“the Claiming Party”) must give notice (“a Dispute Notice”) to the other Party or Parties (“the Responding Party”) as soon as reasonably possible after becoming aware of the circumstances giving rise to the Dispute
2.2	The Dispute Notice must specify in reasonable detail: (a) the relevant facts giving rise to the Dispute; (b) any contractual obligation or other applicable legal duty which the Claiming Party asserts has been or will be breached; and (c) the remedy or action requested by the Claiming Party
3	Negotiation
3.1	If a Dispute arises between the Parties at any time, such Dispute shall first be referred to the Parties’ Representatives named in this Schedule. The Parties’ Representatives shall meet without prejudice within 5 Days’ of receipt of the Dispute Notice by the Responding Party and they shall attempt in good faith to resolve such Dispute
3.2	Any decision jointly made by the Representatives shall be final and binding unless the Parties otherwise agree, once it has been recorded in writing and signed by each Representative in accordance with paragraph 1.4
3.3	Subject to paragraph 3.1, if the Representatives have failed to resolve any Dispute within 10 Days’ of receipt of the Dispute Notice by the Responding Party, the dispute shall be referred to the Parties’ Senior Representatives who shall within 5 Days’ of the Dispute being referred to them, meet without prejudice and attempt in good faith to resolve such Dispute
3.4	Any decision jointly made by the Senior Representative shall be final and binding unless the Parties otherwise agree, once it has been recorded in writing and signed by each Senior Representative in accordance with paragraph 1.4

Model Sewer Adoption Agreement

4 Mediation

4.1 If the Dispute cannot be resolved by negotiation, the Dispute shall be referred to Mediation pursuant to the procedure set out below unless any Party, acting reasonably, considers that the Dispute is not suitable for mediation

4.2 For the avoidance of doubt, nothing in this Schedule shall be taken to exclude or limit the rights of any Party to make such applications (including but not limited to applications as to costs) as it sees fit in any proceedings, relating to the conduct of the other Party and in particular, any decision made under paragraph 1.4 above

The procedure for mediation and consequential provisions relating to mediation are as follows:

4.3 (a) a neutral mediator ("the Mediator") shall be chosen by agreement between the Parties or, if they are unable to agree upon a Mediator within 10 Days after a request from one Party to the other or if the Mediator agreed upon is unable or unwilling to act, either Party may apply to the Centre for Effective Dispute Resolution and Mediation (CEDR) to appoint a Mediator and the mediation shall be conducted in accordance with the rules and procedures of the CEDR. If the CEDR is unable or unwilling to nominate a Mediator then any Party may (subject to obtaining the consent of the other(s)) approach an alternative reputable mediation body;

(b) the Parties shall within 10 Days of the Mediator's appointment meet with the Mediator to discuss and agree a programme for the exchange of all relevant information and the procedure to be adopted for the mediation. Either Party may ask the Mediator to give guidance on a suitable programme for information exchange and/or mediation procedure

4.4 If Mediation fails to achieve a resolution of the dispute or any part of it, any Party may ask the Mediator to provide a non-binding but informative opinion in writing. Such an opinion shall be provided on a without prejudice basis and shall not be used in evidence in any proceedings relating to the Dispute without the prior written consent of the other(s)
