Who we are and the information we process

You have the right to know how Yorkshire Water Community Trust ('We' or 'the Trust') process your personal information.

When you apply for a Trust grant, we need to assess your personal circumstances to determine your eligibility. To do this, we'll need to collect, process, store and share the personal information you give us. We'll do this with your agreement, which you provide by submitting your application. You can withdraw your application by contacting us at any time before an award is granted and we'll delete or return your information.

The only information we process about you is the information you give us. We'll collect:

- Name
- Contact information (address, phone number or e-mail address)
- Household information (occupiers, including number and age of children)
- Financial information (about your debts, income and outgoings)
- Sensitive personal information including medical conditions (where relevant)
- Enquiry information (the contents of any query, complaint or compliment – including phone conversations with our Processor)

Who we share information with

We use a separate company ('our Processor') to manage the administration of the Trust (including the processing of your application). Our Processor will also have access to your personal information.

The Trustees of the Trust may select your application to audit our Processor, to ensure they are applying the Trust criteria correctly.

We'll share your name, address, application outcome, and grant amount with your water supplier Yorkshire Water Services Limited (02366682) so that they can update your account. We won't share any other information with Yorkshire Water unless you consent to it. This option is available on the last page of your application form.

If you've provided signed consent, we can return your documents to a third party that you may have chosen to support you through the process.

If you pay your water charges to your Housing Association, we'll share some details if your application is successful. We'll send them your name, address, rent account number, Yorkshire Water reference number and grant amount.

Security

We (and our Processor) treat your information carefully when processing it, in accordance with our (and their) procedures and good practice. We'll take reasonable precautions to prevent the loss, misuse or alteration of your information. We won't transfer any of your information to other organisations that we don't have a data sharing agreement with, or that you've not consented to.

How long we keep your information

We'll require income and debt evidence to support your application; this will be returned to you within 10 working days of receiving your application.

Your physical application will be securely stored and then destroyed six months after a Trust meeting (successful or unsuccessful). For our reporting and auditing purposes we'll keep some of your information for up to 7 years. Wherever possible we'll do this anonymously.

Our Processor will keep a record of telephone conversations and copies of emails for up to 12 months for training, quality and audit purposes.

Your privacy rights and how to contact us about them

You have the right to a copy of the information we hold about you, to object to our processing, to have inaccurate information corrected and, if we agree, to have your information deleted.

If you are objecting to our processing, we will follow our Complaints and Compliments procedure. If you are unhappy with the response, you can request the Trustees to review your case or you can contact the Information Commissioner's Office.

If you would like to contact us about any of the above, you can

- E-mail us at **ywcommtrust@loop.co.uk**
- write to us at **YW Community Trust, PO Box 1266, Bradford, BD1 9BG**

We don't carry out direct marketing and we do not make automated decisions.
