Subject: Drought Order River Ouse at Moor Monkton

Dear [REDACTED]

Thank you for your e-mail dated 3rd June 2025 requesting consent from the Canal & River Trust for you to make an application to the Secretary of State for a Drought Order to increase your abstraction from the River Ouse at Moor Monkton in line with your Drought Plan. We have carefully considered this request and the implications it will have on the navigation, and we agree that these will be minor and are therefore happy for you to take this letter as our consent for the application to be made.

Regards
