Dear

We refer to your request for information submitted to Yorkshire Water dated 13 May 2025:

*"We also need the flow rate of the Rover Don in m<sup>3</sup>/s at or around the point of discharge from Aldwarke WWTP (i.e. not the discharge rate from the WWTP)."*

After consulting with the business we can confirm that we do not hold the flow rate of the Rover Don in m<sup>3</sup>/s at or around the point of discharge from Aldwarke WWTP. As such for the purpose of EIR we applied exemption 12(4)(a), a public authority may refuse to disclose information to the extent that it does not hold that information when an applicant's request is received.

For this information you will need to contact the Environment Agency (EA). We understand that there is publicly available information that may assist with your request also:

- [National River Flow Archive | National River Flow Archive](#)
- <https://environment.data.gov.uk/hydrology/explore>

We trust that the provision of this data satisfies your request. In accordance with the Environmental Information Regulations 2004, if you are not satisfied with this reply to your request you can ask for an internal review. A request for an internal

review must be submitted within 40 working days by contacting the Data Protection Team.

Thank you for contacting Yorkshire Water.

Yours sincerely,

Data Protection Team
