

Which application form do I need to fill out?

Finding the right form can be tricky if you don't know what you're looking for. We've put together this handy guide to help you find the form you need.

If in doubt, call our friendly team on 0345 120 8482 – we're always happy to help.

Service connection application forms

Need to connect your property(ies) to our water mains? As long as you're not building a road to adoptable standards, you can pick from any of the following application forms:

- Application for a New Connection to Replace a Joint Supply
- Application for a Supply Pipe Boundary Connection
- Application for a Domestic Supply or Animal Welfare Connection
- Application for Multiple Domestic Supplies
- Application for a Water Connection to a Commercial or Mixed-Use Development
- Application for a New Supply for Building Water

Service disconnection application form

If you no longer need an existing water supply, apply for a permanent disconnection:

- Application for a Permanent Disconnection of Existing Supply

New water mains and services application forms

If you're building a road to adoptable standards, you may need to apply for a new main. Choose from the forms below, depending on if you want to self-lay the new main or requisition us to lay it:

- Self-Lay Water Main & Service Connection
- Requisition Water Main & Service Connection

Water main diversion application form:

If there's a water main in the way of your building plans, we may be able to move it for you. Use this application for a main diversion:

- Application for a Public Water Main Diversion
