Your request for a follow-on mains phase quote

This form is for requesting a quote for the next phase of main laying work at your development site.

You will have received an estimate for the whole mains scheme when we quoted the first phase of work. To receive a fixed quote for the next phase of work based on our [current charges](#), you'll need to complete this form and pay the associated admin fee.

Your quote will be valid for six months from the date of issue. You'll need to pay your quote and book in the work within the six-month validity period – you can book in the work via the [mains call-off request form](#), which comes with an associated admin fee. The work must then be completed no later than three months after the quote expiry date.

If your quote expires and you need a re-quote, or you need a re-design based on site changes, you'll need to complete a [re-design / re-approval request form](#) and pay the associated admin fee.

The information you provide will be used solely in accordance with Yorkshire Water's [Privacy Policy](#). Please be aware, we may contact you to seek feedback on your experience with this service.

How long will it take to get your quote?

We'll issue your quote within **28 days** of receiving your completed form, payment and a copy of your design highlighting the section of main you're requesting.

What fee do you need to pay for this request?

There is an upfront admin fee for processing your request of £228 + £45.60 (VAT) = **£273.60**.
