Dear

We refer to your request for information submitted to Yorkshire Water dated 13 May 2025:

"I wonder if I might request a list of Design Capacities for all your Sewage Treatment Works? This to be expressed in units of PE and supplied in excel or csv format. Please ensure this is the capacity of the works and not the population currently served."

After consulting with the business we can confirm that we do not hold the information you requested. As such for the purpose of EIR we applied exemption 12(4)(a), a public authority may refuse to disclose information to the extent that it does not hold that information when an applicant's request is received.

We trust that the provision of this data satisfies your request. In accordance with the Environmental Information Regulations 2004, if you are not satisfied with this reply to your request you can ask for an internal review. A request for an internal review must be submitted within 40 working days by contacting the Data Protection Team.

Thank you for contacting Yorkshire Water.

Yours sincerely,
