

# WaterSupport Application form

We have a number of ways to make bills more affordable for our customers and we want to check you are on the best scheme.

## A different scheme

If you qualify for WaterSupport, your 2022/23 annual bill will be £350. To check if you can be on this scheme, we need to know how many people live in your home and see proof of your household income.

## Applying is easy

First you'll need to save this blank downloaded form, complete with your details, and save it again. Then e-mail it with proof of all your household's income and any benefits you receive. This could be an attachment, picture or screenshot of:

- a bank statement (dated within the last 3 months)
- a benefit award notice (dated within the last 12 months)
- a wage slip (dated within last 3 months)
- self-employed business records (most recent Self-Assessment Tax return)

Please make sure all proof shows your name, address and amount(s) received. You can email your documents along with your application form to [support@yorkshirewater.co.uk](mailto:support@yorkshirewater.co.uk) or post with photocopies to **Customer Accounts, Yorkshire Water, PO Box 52, Bradford, BD3 7YD.**

## What happens next

After we receive your application and proof, we'll check to see if you're eligible and let you know the outcome.

Please note, we do not back date the lower charges for this scheme, so please send your information as soon as possible. If successful, the lower charges will only be applied to future bills.
