*Did Ryedale District Council consult Yorkshire Water on this plan and/or did Yorkshire Water make formal representation to Ryedale District Council on this matter? If the answer is 'yes' to any of my questions, please send me a copy of the Yorkshire Water response or responses to RDC and any communication between RDC and Yorkshire Water in respect of the Sites Document and sewage treatment capacity.*

*In particular, I would like to know what, if anything, Yorkshire Water said to Ryedale District Council about the available capacity (or lack thereof) in its sewerage infrastructure in respect of the specific sites listed in the document."*
