Your request form for a re-quote

This form is to request changes to a water connection quote, or to request a re-quote if your original quote has expired. Please be advised that any quote you have received previously will be cancelled once the re-quote is issued.

If your quote relates to a water mains scheme, please complete a [re-design / re-approval request](#).

The information you provide will be used solely in accordance with Yorkshire Water’s [Privacy Policy](#). Please be aware, we may contact you to seek feedback on your experience with this service.

How long will it take to get your re-quote?

We aim to issue your re-quote **within 28 days** of receiving your completed request form.

What fee do you need to pay for this request?

There is an upfront admin fee for processing your request. The fee you need to pay will depend on whether a re-survey is needed or not:

- Re-quote (with a re-survey) – £488 + £97.60 (VAT) = **£585.60**

Please use the table below to determine whether a re-survey is needed. We can only process your request once we’ve received the full and correct payment.
