Dear

I refer to your request for information submitted to Yorkshire Water dated 29 January for the following information:

*“Geospatial data representing the wastewater catchment areas served by the wastewater treatment plants owned or operated by your company. Specifically, we would be grateful if you could provide:*

*The geospatial extent of each catchment area, with clear distinction between areas served by different treatment plants”*

Please find attached the data which you have requested. Included with this email is the machine-readable format of the geospatial data representing the wastewater catchment areas served by the Wastewater Treatment Works.

I trust that the provision of this data satisfies your request. In accordance with the Environmental Information Regulations 2004, if you are not satisfied with this reply to your request you can ask for an internal review. A request

for an internal review must be submitted within 40 working days by contacting the Data Protection Team.

Thank you for contacting Yorkshire Water.

Yours sincerely,

Data Protection Team
