

# Yorkshire Water school visit

## School staff please:

-  Share your risk assessment with us
-  Ensure we have a safe 2m space to work in
-  Pre-load presentations to the class computers
-  Hand out and collect in any resources
-  Let us know what toilets and hand washing facilities we can use

## What will change?

-  We will present from the front of the class
-  Limited activities, all resources sanitised
-  We will maintain our 2m social distance

## Yorkshire Water staff:

-  Will share our risk assessment with you
-  Will contact you at least 48 hours before our visit to check COVID status
-  Will send presentations to the school beforehand
-  Will wear a facemask or visor
-  Will maintain a 2m distance between students and staff
-  Will bring their own hand sanitiser
