Dear

I refer to your request for information submitted to Yorkshire Water dated 19 March regarding:

“1. A complete copy of your current trade effluent consents register, including (where held, if some elements are not held then please provide the rest):

Consent number

Site name / operator name

Site address (all available address fields, including postcode)

Nature of the consented discharge / process description

Receiving sewer / catchment / wastewater treatment works (if recorded)

Consent status (active, revoked, etc.)

Date of issue and/or last variation

Substances in the effluent.

2. The data in a machine-readable format, such as CSV or Excel.

3. Any associated metadata or data dictionaries that explain field names, codes, or classifications used in the register.”

Please refer to our EIR disclosure log, PEIR 174 where we previously disclosed this information:
