Your request form for a re-quote

This form is to request changes to a water connection quote, or to request a re-quote if your original quote has expired.

Please be advised that any quote you have received previously will be cancelled once the re-quote is issued.

If you need to request a re-design or re-approval of a mains scheme, please fill out the re-design / re-approval request form, which you can find at yorkshirewater.com/developers/water/mains/

How long will it take to get your re-quote?

We aim to issue your re-quote **within 28 days** of receiving your completed request form.

What fee do you need to pay for this request?

There is an upfront admin fee for processing your request. The fee you need to pay will depend on whether a re-survey is needed or not:

- Re-quote (with a re-survey) – £246 + £49.20 (VAT) = **£295.20**

Please use the table below to determine whether a re-survey is needed. We can only process your request once we've received the full and correct payment.
