Completing your application

This form is to request meter(s) to be supplied by Yorkshire Water for a self-lay development site.

As an SLP, you are responsible for purchasing your own water meters which need to be to the appropriate specification. Water meters are to be used in conjunction with the installation of any new service connection.

Full details of our meter location policy can be found on our website: yorkshirewater.com/developers/water/water-meter-locations-for-developers/

There is a charge for the provision of each meter supplied, which is based on the meter size and type you require. Our meter charges can be found on page 28 of our New Connection Charging Arrangements 2023/2024: yorkshirewater.com/developers/developer-services-charges/ and will be billed to you via invoice shortly after we issue the meters to you.

Once we have received this request, we will arrange for the meters to be delivered to site or made available for you to collect from one of our depots.

If you are collecting the meters, we'll provide you with the order number you'll need to quote. You will be able to collect the meters within 2 working days of receiving the details from us.

What fee do you need to pay for this request?

There is an admin fee of **£50** for processing this request, which we will add to the invoice for providing the meters.

Where do I send my application?

You can send us your completed form by email or post.

- Email: slp_mailin@yorkshirewater.co.uk
- Post: Developer Services, Yorkshire Water Services Ltd, PO Box 52, Bradford, BD3 7YD
- If you have any questions please give us a call on **0345 120 84 82 (Option 2)**.
Calls are recorded for monitoring purposes.

If you're filling out a paper copy, please complete in **BLOCK CAPITALS** using blue or black ink.
