**Route Description:**

From the car park at **point 1**, head through the gate onto the track directly opposite the road. Keep following the track, ignoring a path to your left at **point 4** after around 650m, you'll see a gate on your left which leads onto the embankment. Go through the gate and cross the embankment to **point 2**.

Immediately after the embankment, the path bears left towards the reservoir with a bench on your right. Keep following the track to **point 3** where you'll meet a bridge. Cross the bridge and turn immediately left after the bridge. Follow the path crossing several small bridges and one large bridge to **point 4**. Turn right and follow the track back to the car park at **point 1**.
