Reference Number: **EIR**

Dear

We refer to your request for information submitted to Yorkshire Water dated 13 March 2025:

"I would like to request flood sewer history information for a site. Any information you have about this would be appreciated. Site address: Cardigan Fields, Kirkstall Road, Burley, Leeds LS4 2DG."

We wrote to you on the 13 February to request further clarification for your request, we requested a timeframe for the information requested. You replied on the 19 March to confirm you would like the sewer flood history for the last 10 years for the site.

We have reviewed your request under the Environmental Information Regulations 2004. Following the definition of environmental information given within the regulations, your request for information does not fall within the scope of this legislation. We will consequently not be providing you with the information you have requested.

For your information, the definition of environmental information we have used, given as Regulation 2(1), is reproduced below:

(a) The state of the elements of the environment, such as air and atmosphere, water, soil, land, landscape and natural sites including wetlands, coastal and

marine areas, biological diversity and its components, including genetically modified organisms, and the interaction among these elements;

(b) Factors, such as substances, energy, noise, radiation or waste, including radioactive waste, emissions, discharges and other releases into the environment, affecting or likely to affect the elements of the environment referred to in (a);

(c) Measures (including administrative measures), such as policies, legislation, plans, programmes, environmental agreements, and activities affecting or likely to affect the elements and factors referred to in (a) and (b) as well as measures or activities designed to protect those elements;

(d) Reports on the implementation of environmental legislation; (e) Cost-benefit and other economic analyses and assumptions used within the framework of the measures and activities referred to in (c); and

(f) The state of human health and safety, including the contamination of the food chain, where relevant, conditions of human life, cultural sites and built structures inasmuch as they are or may be affected by the state of the elements of the environment referred to in (a) or, through those elements, by any of the matters referred to in (b) and (c).

After consulting with the business in regards to your request, we have established that we have an existing business process which can be followed to obtain the information that is required.

You can contact SafeMove:

Via telephone: 0333 220 6664, or

Via email: safemove@yorkshirewater.com

I trust that the provision of this data satisfies your request. In accordance with the Environmental Information Regulations 2004, if you are not satisfied with this reply to your request you can ask for an internal review. A request for an internal review must be submitted within 40 working days by contacting the Data Protection Team.

Thank you for contacting Yorkshire Water.

Yours sincerely,

Data Protection Team
