

# Application for a major sewer diversion/ alteration (developer led) under Section 185 of the Water Industry Act 1991

## Filling out this form

**This form can't be filled out online, so before you start to complete it, please make sure you follow these steps:**

1. Download the PDF to your PC (Save it locally, for example on your desktop)
2. Open it using Adobe Acrobat Reader, and fill it out (if you don't have Adobe Acrobat PDF Reader you can download it [here](#))
3. Save the completed version
4. Email it to us at [technical.sewerage@yorkshirewater.co.uk](mailto:technical.sewerage@yorkshirewater.co.uk)

**Please note:** the fees listed in this form are fixed until **31 March 2024**. You can find the most up-to-date version of this form at [yorkshirewater.com/developers/sewerage/sewer-diversions](https://yorkshirewater.com/developers/sewerage/sewer-diversions)

Please be aware, we may contact you to seek feedback on your experience with this service.

# Application for a major sewer diversion/alteration (developer led)

6S

**This application form should be used if you are proposing reasonable major sewer diversion or alteration works under Section 185 of the Water Industry Act 1991, where the Developer has prior approval from Yorkshire Water that they themselves can carry out the works.**

If the diversion works are crossing third party land, the adjacent landowners will have to be party to the S185 legal agreement.

Any proposed works need to be overseen by one of our site inspectors and we require five working days notice to allow an appointment to be made through our dedicated scheduler.

This is a chargeable service, details of which can be found in our Charging Arrangements for 2023/24.

On submission of this application form, please ensure that you attach all technical details and detailed plans required to support your application.

Please ensure you provide a covering letter with your application detailing any site specific information.

**No alteration to the public sewer network can be made until the signed agreement is in place.**

## The fees for major sewer diversions/alterations are as follows:

### Formal Legal Agreement

Technical Assessment Fees - 5% of the construction costs of the works or a minimum of £732.00 will be invoiced on receipt of a S185 application. The balance of the fees will be invoiced at acceptance of the proposals.

Additional Checks - £84.00 per hour

A bond (Cash or Surety) will be required to cover 100% of the cost of construction of the major sewer diversionary works (minimum of £5,000.00) and will be held until the works are complete. 90% of the cash bond will be repaid with the issue of the Provisional Certificate (minimum £5,000.00 retained). On completion of the maintenance period, the remaining bond will be repaid if no remedial action is required.

**All fees will be invoiced directly to the developer unless otherwise stated.**

**Please await invoice before making payment.**

## What happens next?

You will receive an acknowledgement letter within seven calendar days confirming receipt of your application.

The Senior Engineer will undertake an initial assessment of the application within seven calendar days from receipt of an application. A response will be issued to the applicant to confirm if the application is complete or to request further information, to allow a full assessment to be undertaken. Please be aware that Yorkshire Water has the right to reject incomplete applications.

A full technical assessment will be made within 28 calendar days of receipt of a complete application.

Any resubmissions will be responded to within 14 calendar days of receipt of additional information.

## Completing your application form

This application form and supporting information must be submitted in paper copies by post, delivered by hand or can be sent electronically to [technical.sewerage@yorkshirewater.co.uk](mailto:technical.sewerage@yorkshirewater.co.uk)

Please complete in **BLOCK CAPITALS** using blue or black ink or enter your details below electronically.

### 1. About you

Are you the  Developer  Designer  Other (please specify)

Your name

Your company's name

Your company address

Postcode

Telephone number

E-mail address

### 2. Details of the site

Site address

Postcode (nearest)

Grid reference: Easting (6 figures)

Northing (6 figures)

Site contact

Telephone number

E-mail address

Is the site subject to a S104 Agreement?  Yes  No

If yes, please provide H reference number

### 3. Major sewer diversion works details

What type of sewer are you proposing to divert?  Foul  Surface Water  Combined

Length of sewer diversion (in metres)

Existing diameter (in mm)

Proposed diameter (in mm)

Existing capacity

Proposed capacity

Are there any existing connections to the diverted sewer that will need to be picked up?

Are all diversion works within land owned by the developer?

Yes  No

Are plastic pipes proposed as part of the diversion?

Yes  No

## The adjoining landowner (if there are more adjoining landowners please provide details)

Name

Address

Postcode

Telephone number

E-mail address

## The contractor

Name

Address

Postcode

Telephone number

E-mail address

## 6. Bond requirements

A bond will be required to progress the diversion process    Surety    Cash Bond

If a Surety is proposed, this will require a Formal Legal Agreement

The individual/company named in this application is the party liable for payment of the cash bond. In turn, any repayment due will be made to the original payee named on the cash bond.

## The Surety (in lieu of cash bond)

Name

Address

Postcode

Telephone number

E-mail address

## The Solicitor (if Surety proposed)

Name

Address

Postcode

Telephone number

E-mail address

## 7. Submission Requirements

Please tick if provided

### Developer programme of works:

Estimated start date | |  
Cost estimate for construction costs of sewer diversion

### Location plan showing:

Site boundary edged in green  
The OS benchmark details used for level data  
GPS details where levels established by this method

### Site plan showing:

Site boundary edged in green  
Roads  
Sewers to be abandoned (shown green and crossed), sewer diversion route (shown purple and correct line type)  
To include pipe material, size, gradient and direction of flow (if applicable)  
Road gullies/highway drains (not coloured) (if applicable)  
Watercourses  
Site contours  
Outfalls/headwalls (if required)  
North point  
Actual OS grid references  
Proposed buildings  
Ground floor levels  
Contaminated land reports (required if plastic pipes proposed)  
Existing trees and proposed landscaping

### Longitudinal sections showing existing (sewer to be abandoned) and proposed (diversion):

Existing levels  
Proposed cover and invert levels  
Pipe diameters  
Bedding classification and details  
Pipe material  
Pipe strength  
Pipe lengths  
Pipe gradients  
Existing services

### Hydraulic design calculations:

Foul water (where required)  
Surface water  
1 in 1 or 1 in 2 showing no surcharge  
1 in 30 showing no flooding  
Impermeable area plan (including key)  
Design parameters used

### Manhole schedules showing existing (manholes to be abandoned) and proposed (diversion):

Cover and invert level  
Manhole type  
Cover type and size  
Chamber size and depth

### Construction details:

Manholes  
Outfall structures (if required)  
Special manholes (if required)

### Health and Safety:

F10 Notice  
Health and Safety document  
Method Statement of contractor  
Risk Assessment  
Streetworks Authorisation

### Camera survey showing:

Camera survey of existing sewer to be abandoned  
Accompanying written survey report and plan  
One paper copy of each detailed drawing

YorkshireWater

## 8. Declaration

I request that Yorkshire Water process my application based on the information I have provided and confirm all information is correct to the best of my knowledge.

I understand that any abortive time spent by Yorkshire Water in checking an incomplete and/or incorrect submission will be recharged to the developer as set out in our Charging Arrangements 2023/24.

I agree that Yorkshire Water may use the supporting information provided for any purpose connected with this application and with the company's statutory Sewerage and Water undertakings.

I can confirm that this application has been checked by ourselves as the Designer/Developer, is complete and complies with the Design and Construction Guidance, Local Practices and Technical Standards contained within the Code for Adoption.

If the site is progressed to a legal agreement, the developer will be liable for the assessment costs incurred up to this point.

I understand that the minimum fee of £732.00 will be charged if you decide not to progress the application.

**By ticking this box I agree to the above declaration**
