From the car park **point 1**, facing the reservoir, walk through a gateway onto the embankment. Follow the embankment track with the reservoir on your left. At the opposite end of the reservoir, pass through a gate on your left onto a grassy path.

Follow the waymarked posts around the reservoir to a footbridge at **point 2**. Cross the bridge and continue following the waymarked posts around a fenced off Nature Recreation Zone. The path follows the fence line to the boathouse where you will find a pedestrian gate on your right. Go through the gate and turn left to follow the track back to the car park at **point 1**.
